

I would like to introduce our company

B&B Electric is a family owned and operated business established in 1973. We are a licensed, bonded and insured Electrical Company. B&B Electric first started contracting in 1973. Over the past 40 years we grew and expanded into a successful electrical contracting company. Our Company has dedication, attention to detail, reasonable pricing and excellent customer service. We have become well-known and respected throughout all of Southern California and the Inland Empire.

B&B Electric is a full service electrical contracting company, serving contractors and developers throughout Orange County and the Inland Empire

We provide a complete engineering design for a wide range of Design/Build projects like renovations, Underground Utilities, Service upgrades, Plant relocations and Tenant improvements, No job is too small for B&B Electric and we stand behind our slogan “Don’t Be Stung By High Prices”

Our success has come from our associates. We have a team of talented, enthusiastic and confident professionals who take pride in the quality of their work and the timely delivery of those quality services, regardless of complexity or geography. Among our important values and trust, reliability is of utmost importance. And we earn that trust from companies every day by being dependable and delivering on our promises.

We're focused, using keen judgment to problem solve in the safest manner possible and provide unmatched expertise and experience in every job we do.

From design to finish, our experienced estimators, project managers and technicians provide the expertise to ensure your electrical project is completed on time, on budget and up to code. We understand that service interruptions are an inconvenience and cost you productivity, so we focus on providing expedient services to get you back online as soon as possible, without risking the safety of your valuable electrical equipment. We are also absolutely committed to safety and provide ongoing education to our personnel to ensure complete compliance with best practices and standards

Some of our feature projects that we have completed are Fresh Start Bakery in Ontario, Coastal Pacific Food Distributors in Ontario, Dynamic Cooking Systems in Huntington Beach, Mission Flavors and Fragrances in Foothill Ranch, Wagon Train in Corona, Hansen Beverage Company in Corona, Fire Station Training Center Chino for Fire Blast 451 and Clear Lam Packaging in the City of Vernon.

Our expertise in the Electrical field include are not limited to: electrical plant designs, Service upgrades, underground utilities, sports lighting, motor control, tenant improvements, interior and exterior lighting. On all projects, we are on site and hands on to ensure a clean and precise conclusion of each specific project. Our inspections are met to code and allow us to have our Client's businesses up and running in an expedited manor.

Even after our projects are completed, B&B Electric is always available to our Client's for emergency service calls. All of our Clients are important and we have flourished throughout the years due to our dedication to Customer satisfaction.

No job is too large or too small for B&B Electric. We look forward to the possibility of meeting your electrical needs. To learn more about our Company you can visit our web-site at bbelectco.com and see the attached photos of some of our premiere work.

Our Mission at B&B Electric is to grow and prosper and continue to serve all of Southern California and the Inland Empire.

Sincerely,

John Ross
